Introduction

This guide is developed to help clients and business entities to use the MOCCA digital services. It will include an overview on how to use the portal, then detailed step-by-step instructions on how to use each service: a brief description about the service, what you need to know or to do before using the service, how to input the required information, how to upload documents, and what to expect upon completing the service.

Overview

The digital services platform 'Go Digital  ' single service interface, integrated internally within the Ministry portal and externally with other concerned government entities. It covers all 115 services that MOCCA offers to its customers.

It also features proactive communications, such as reminders, eligibility notifications, and informative messages that automatically anticipate the services customers need without receiving application requests. Moreover, it will include a comprehensive customer database and service history to facilitate service application and delivery.

The portal is very easy to use, and it can be accessed in Arabic or English. It is designed to improve customer experience and enhance customer happiness.

Changing the Interface Language

The 'Go Digital' is a bilingual platform. It can be displayed in English or Arabic interface.

To switch to the other interface language, click on the language icon on the top right corner of the main screen.

The User Dashboard

The 'Go Digital' user dashboard displays information related to customer's requests and licenses, allows the user to create a new request and take actions.

The dashboard displays the following buttons:

	To notify the customer about any messages related to his request to take the proper actions
	To inform the customer with any notifications
 My Statistics	To display statistics about the customer's requests
 New Request	To start a new request

Table 1 - Dashboard Buttons

The dashboard also displays information related to customer's licenses, registrations and certificates, and material balances and cites classified into four categories (see below figure). Click the expand arrow on each service card to display more details about the specific service category.

Using the 'Go Digital' Services

Digital Services Overview

The 'Go digital' portal provides digital services for customers to complete their required transactions with MOCCAEC.

The offered digital services are classified into main categories. Each category includes a number of services.

Starting a New Request

- 1- To request a new digital service, click on *New Request*  on the dashboard. The following screen will display:

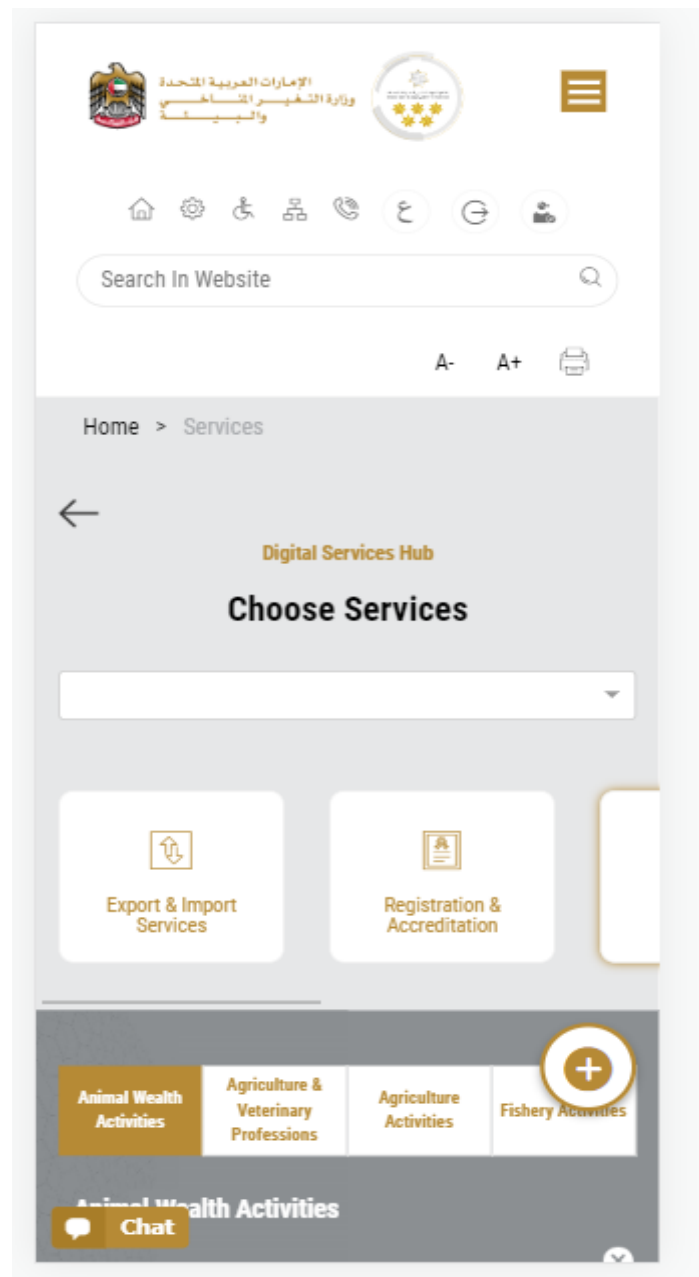

Figure 10 – Service New Request

- 2- Choose the required service either by:
 - Selecting the required service from the dropdown list to display the required service card, or
 - Selecting the service category, then the service subcategory to display all available services catalogue.

Each service card shows the service category and name, as well as the time needed to complete the request.

Figure 11 - Service Card

- 3- Click on *Start* Start to start the new request.

You can click on *Save as Draft* Save as Draft at any view to save all the task information you entered for later viewing or editing.

The following sections will guide you in using the available digital services. Each section will describe the service, list the service terms and conditions, and will guide you to create the service request and what to expect when the service is completed.

How to Pay for a Digital Service

Once you complete filling in the service request form, in the request review page and after checking in the *I agree to the Terms and Conditions* box, click on *Pay Now* Pay Now. You will be then directed to the payment gateway.

1. Choose your payment method (Card or Bank Transfer) then click *Calculate Prices*.

Retrieve a Service Request

You can retrieve a previously created request to review the request information only or to take further actions.

- 1- From the dashboard, enter the search by the request number. You can also select the request status to limit the search results.

Or, you can directly locate the request in the list of requests.

The screenshot displays the 'My Requests' section of a digital service interface. At the top, there is a search bar labeled 'Enter Request Number'. Below it are two dropdown menus: one for status set to 'ALL' and another for the number of items per page set to '5'. A prominent orange 'Search' button is located below these filters. The results section indicates 'Showing 3 of 7 Requests'. A table with two columns, 'Request Data' and 'Status', lists the requests. The first request, 'REQUEST NO #AD-07012023-2219915', is dated 'Saturday, January 7, 2023' and describes 'Accreditation for pheromones and pests attractants and repellents -Issuance'. Its status is 'Pending On Payment', with action buttons for 'Pay Now', 'Cancel', 'View', and 'View/Send Messages'. The second request, 'REQUEST NO #APH-06012023-2219665', is dated 'Friday, January 6, 2023' and describes 'Export of the shipment of veterinary products -Issuance'. Its status is 'Pending On Veterinary Products Committee', and it features a large circular '+' button for further actions. A 'Chat' button is visible at the bottom left of the interface.

Figure 16 - Select Request to Retrieve

- 2- You can take any of the following actions on the selected request:

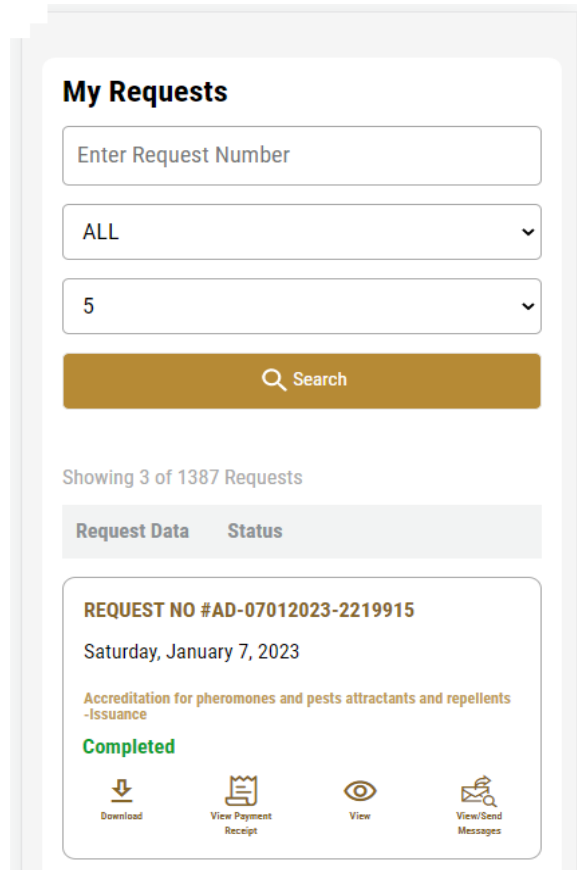

Button	Description
Cancel 	To cancel and delete the request whether it is saved as draft or pending payment
Pay Now 	To pay for a previously created request but you opted to pay the fees at a later time using the Pay Later option
View 	To view request details and make changes if required
View/Send Message 	To communicate directly with MOCCA employee by sending and receiving messages regarding your request
View Payment Receipt 	To view the request payment receipt if it has been already paid

Table 2 – Service Request Actions

View or Download a Certificate

- 1- Select the service category. The list of available certificates will be displayed.

The screenshot shows the 'My Requests' section of a web application. It includes a search bar labeled 'Enter Request Number', a dropdown menu for 'ALL' requests, and a dropdown menu for '5' items per page. A 'Search' button is located below these filters. Below the search bar, it says 'Showing 3 of 1387 Requests'. A table with two columns, 'Request Data' and 'Status', is displayed. The first row shows a request with the number 'REQUEST NO #AD-07012023-2219915', dated 'Saturday, January 7, 2023', for 'Accreditation for pheromones and pests attractants and repellents -Issuance'. The status is 'Completed'. Below the request details, there are four icons: 'Download', 'View Payment Receipt', 'View', and 'View/Send Messages'.

- 2- Locate the required certificate, then click on  to view and download the certificate, or click on  to view the service request.
