

# **Request a falcon passport**

## **About the Service**

Through this service, the falcon owner can obtain a falcon passport valid for 3 years from the date of issuance, to use it in travel and hunting trips instead of using CITES certificates.

## **Service Process**

- 1. Fill out the electronic form 2. E – payment 3. Review the application and complete the procedures electronically 4. Issuing the Falcon passport 5. Deliver the falcon passport through carrier

## **Required Documents**

- The service does not require any documents, as the falcon passport is issued for the falcons under the customer's account, through the following:
  - • Importing and releasing the falcon through Import of a species listed in CITES Appendices service.
  - • Registering the falcon through Register Ownership of Species Listed in CITES Appendices service.
  - • Transferring the ownership of the falcon through Transfer Ownership of Species Listed in CITES Appendices service.
